Board of Supervisors' Adjustments

The following funding adjustments reflect all changes to the <u>FY 2004 Advertised Budget Plan</u>, as approved by the Board of Supervisors on April 28, 2003:

◆ The Board of Supervisors made no changes to the <u>FY 2004 Advertised Budget Plan</u>. It should be noted that the Fairfax County Redevelopment and Housing Authority (FCRHA) Consolidated Plan One-Year Action Plan was approved by the Board of Supervisors on April 28, 2003, increasing the federal awards for FY 2004 by \$1,222,000 from \$6,235,000 to \$7,457,000. An adjustment will be made at the *FY 2003 Carryover Review*.

The following funding adjustments reflect all approved changes to the FY 2003 Revised Budget Plan from January 1, 2003 through April 21, 2003. Included are all adjustments made as part of the FY 2003 Third Quarter Review:

• The Board of Supervisors made no adjustments to this fund.

County Executive Proposed FY 2004 Advertised Budget Plan

Purpose

Fund 142, Community Development Block Grant (CDBG), seeks to stimulate the development and preservation of low- and moderate-income housing and the provision of loans, public facilities, and improvements directed toward conserving and upgrading low- and moderate-income neighborhoods. It also supports the provision of special outreach and assistance services to low- and moderate-income households.

Fairfax County receives an annual Community Development Block Grant through the U.S. Department of Housing and Urban Development (HUD). The use of these funds is subject to eligibility criteria established by Congress for the program and must meet one of three national objectives: (1) benefit to low- and moderate- income population of the County; (2) elimination of slums and blight; and (3) urgent needs. Specific uses of each annual grant are outlined in the Consolidated Plan One-Year Action Plan. The Board of Supervisors has designated the Consolidated Community Funding Advisory Committee, (CCFAC) as the citizen advisory group charged with overseeing the Consolidated Plan process. The Consolidated Plan also incorporates the recommendations of the Fairfax County Redevelopment and Housing Authority (FCRHA) concerning the use of the CDBG funds. The CCFAC forwards the Plan to the Board of Supervisors for a public hearing and adoption. The Plan is then forwarded to HUD for approval and final grant award.

Historically, CDBG funds have been used for:

- development and preservation of affordable housing;
- neighborhood improvements in communities designated as Conservation or Redevelopment Areas by the Board of Supervisors;
- programs providing needed services to the low- and moderate- income population;
- financial and technical assistance to homeowners for housing rehabilitation and repair;

- payments on loans used for affordable housing development; and
- costs to administer this grant and related programs.

FY 2004 Initiatives

- Funding in the amount of \$6,235,000 is estimated for FY 2004. The following identifies the projected funding initiatives:
 - A portion of the County's CDBG entitlement will be combined with County General Funds and the Community Services Block Grant into a Consolidated Community Funding Pool, providing funds through a competitive process to non-profit organizations for human services and affordable housing development and preservation. In FY 2003, \$1,863,121 was available for the first year of this program and it is anticipated that an amount of comparable value will be available in FY 2004 for the second year of the new two-year program. This funding will be provided from the balance of \$2,812,903 noted in the chart above. The remaining balance of \$949,782 will be available for projects that will be considered by the Board of Supervisors during their deliberations on the FY 2004 Advertised Budget Plan.
 - An amount of \$75,000 is provided for the Fair Housing Program strategy implementation including conducting and reporting on fair housing tests, filing fair housing complaints when necessary, training rental agents and housing counselors in the County's rental market, establishing and staffing the Fair Housing Task Force, and continuing to study and report on the County's fair housing needs.
 - In addition, \$283,047 in Community Development Block Grant funds will be used to support staff and operating costs for the Home Repair for the Elderly Program. This program provides minor home repairs to low-income elderly or disabled residents to enable these individuals to live in safe and sanitary housing.
 - Funding of \$1,585,522 will be available for payments on Section 108 Loans. These loans, approved by the Board of Supervisors and HUD, are designated for affordable housing preservation and development, the reconstruction of Washington Plaza, and road and storm drainage improvements in five conservation areas; Bailey's, Fairhaven, Gum Springs, James Lee, and Jefferson Manor. The FY 2004 funding represents a decrease of \$69,478 from the FY 2003 Adopted Budget Plan. Unexpended Section 108 Loan balances from prior years were available at the FY 2002 Carryover Review to be brought forward to FY 2003. It is not anticipated that there will be unexpended Section 108 Loan balances available to be carried forward from FY 2003 to FY 2004.
 - Also included within Fund 142, Community Development Block Grant, is support for staff and operating costs to provide Federally mandated relocation and advisory services to individuals affected by Federally funded County and FCRHA programs. In addition, funding is provided for staff support and operating costs for overall program management and planning for Community Development Block Grant and Section 108 Loan programs. This includes preparation of the annual <u>HUD Consolidated Plan</u> and other program reports, administration and monitoring of non-profit contracts, evaluation of program performance, and planning of the development of affordable housing in the County. In FY 2004, funding for these services will total \$1,368,013.
 - The Homeownership Assistance Program provides funding in the amount of \$110,515 to support two positions in the Relocation Services Branch that provide support to the First Time Homebuyer and the Moderate Income Direct Sales Programs. The main duties of these positions include application data entry, waiting list maintenance, application processing, conducting lotteries, conducting annual occupancy certifications, and counseling applicants.

Funding Adjustments

The following funding adjustments reflect all approved changes to the FY 2003 Revised Budget Plan since passage of the FY 2003 Adopted Budget Plan. Included are all adjustments made as part of the FY 2002 Carryover Review and all other approved changes through December 31, 2002:

♦ At the FY 2002 Carryover Review, the Board of Supervisors approved an increase of \$9,018,434 due to the carryover of \$8,454,757 in unexpended project balances and the allocation of \$563,677 in program income.

A Fund Statement and Summary of Capital Projects are provided on the following pages. The Summary of Capital Projects may include some projects without a Total Project Estimate amount. These projects are considered "continuing" projects or projects for which funding is necessary on an ongoing basis (e.g., a contingency or planning project).
